

Signature Resolution Welcomes Hon. Harvey A. Silberman (Ret.) to Panel of Neutrals

Judge Silberman brings over two decades of family law experience to ADR firm

LOS ANGELES (September 3, 2024) - [Signature Resolution](#), a leader in alternative dispute resolution, is pleased to announce the addition of Hon. Harvey A. Silberman (Ret.) to its panel of neutrals. With over two decades of judicial experience and a deep commitment to family law, Judge Silberman will uphold the firm's standard of excellence while broadening its family law expertise.

"My decision to enter the field of law was deeply influenced by my early experiences during the AIDS epidemic, where I witnessed firsthand the urgent need for dedicated support and advocacy," said Judge Silberman. "This commitment to helping others has guided my entire career, from my work at AIDS Project Los Angeles to my time as a judge on the Superior Court of Los Angeles County, focusing on the wellbeing of children. At Signature Resolution, I am eager to continue this mission by applying my extensive experience to support individuals and families through the complexities of family law with compassion and respect."

Judge Silberman's distinguished career began as a staff attorney at AIDS Project Los Angeles during the AIDS epidemic, where he demonstrated a dedication to social justice. He then joined a prominent family law firm in the San Gabriel Valley before returning to public interest work as the supervising attorney for the family law/domestic violence unit at Neighborhood Legal Services in Los Angeles.

Appointed to the bench in 2004, Judge Silberman has since devoted his judicial career to the family law division. Throughout his tenure, he has earned multiple Judge of the Year accolades from various bar associations and the American Academy of Matrimonial Lawyers, with his most recent recognition coming from the Inn of Court. His leadership is further evidenced by his involvement on the Los Angeles Superior Court executive committee and his service on the boards of the California section of the Association of Family and Conciliation Courts and the San Fernando Valley Legal Foundation.

Judge Silberman holds a Juris Doctorate and Master of Arts from the University of Southern California and a Bachelor of Arts from Wesleyan University. He has also served as a professor of family law at USC Law School and continues to mentor the next generation of legal professionals through a Student Extern Program.

"Judge Silberman's extensive background in family law and his deep understanding of family dynamics, particularly the importance of prioritizing the wellbeing of children, make him a strong addition to our team," said Dario Higuchi, Signature Resolution founding partner and managing member. "His compassionate and insightful approach to mediation will enhance our ability to assist clients in achieving fair and respectful resolutions."

At Signature Resolution, Judge Silberman will focus on family law matters, including domestic violence, custodial law and child welfare. His mediation approach focuses on addressing the needs of all parties

involved with compassion and clarity, considering emotional, financial and child welfare factors.
