

Signature Resolution Welcomes Justin F. Marquez to Panel of Neutrals

Marquez brings extensive class action and employment litigation expertise to the ADR firm

LOS ANGELES, Calif. (March 24, 2025) - [Signature Resolution](#), a leader in alternative dispute resolution, is pleased to announce the addition of Justin F. Marquez to its panel of neutrals. With over 15 years of experience litigating complex class actions and employment disputes, Marquez has built a reputation as a strategic and results-driven attorney, securing landmark victories in wage and hour, consumer protection, and data breach cases.

"I have spent my career litigating complex class actions and employment cases, involving both individuals and businesses in high-stakes disputes," said Marquez. "I know firsthand the challenges that come with litigation, and I'm excited to bring my experience to Signature Resolution as a mediator. My goal is to help parties find intelligent, strategic, and practical solutions that achieve meaningful results."

Marquez has successfully litigated cases at the highest levels, including the Ninth Circuit Court of Appeals, the California Court of Appeal, and federal district courts nationwide. Prior to joining Signature Resolution, he was a Senior Partner at Wilshire Law Firm, where he developed and led the firm's wage and hour class action practice. Under his leadership, the department became one of California's most formidable class action teams, securing over \$75 million in settlements in 2023 alone. His extensive background in complex litigation makes him uniquely equipped to navigate the nuanced factors that drive case valuation and resolution strategies.

"We are thrilled to welcome Justin Marquez to our panel," said Dario Higuchi, founding partner and managing member at Signature Resolution. "His impressive track record in class action suits within California, his deep understanding of employment law, and his ability to connect with parties will make him an invaluable addition to our team and the clients we aim to serve."

Marquez holds a Juris Doctorate from Notre Dame Law School and a Bachelor of Arts from UCLA, where he graduated magna cum laude, Phi Beta Kappa, and with College Honors. His legal expertise has been widely recognized—he was honored with the California Lawyers Attorney of the Year (CLAY) Award by the *Daily Journal* in 2024. He has also been recognized among the "Best Lawyers in America" since 2023, designated as a "Super Lawyer" since 2022, and previously honored as a "Super Lawyer Rising Star."

At Signature Resolution, Marquez will focus on mediating disputes in class actions, PAGA, employment law, consumer protection, wage and hour, privacy violations, and complex litigation. His approach emphasizes practicality, strategic insight, and balanced risk assessment, ensuring that all parties achieve meaningful and effective resolutions.
