

Signature Resolution Welcomes David Sarnoff to Panel of Neutrals

Respected litigator and employment law specialist brings nearly two decades of experience to firm

SAN FRANCISCO (October 23, 2025) - [Signature Resolution](#), is proud to announce that David Sarnoff has joined the firm as a mediator. Over the course of his nearly two-decade career as a litigator and full-time mediator, Sarnoff has been recognized for his approachable, people-centered approach to resolving complex business, employment, civil rights, and personal injury disputes.

"Mediation has always been a natural extension of my litigation work," said Sarnoff. "I've seen firsthand that resolution, more than courtroom victories, often provides clients their greatest sense of relief and closure. At Signature Resolution, I look forward to collaborating with colleagues I deeply respect and bringing the same thorough, empathetic, and practical approach to every case."

Sarnoff began his career representing both plaintiffs and defendants at several law firms before co-founding Sarnoff + Sarnoff, APLC in 2010 with his wife. There, he specialized in employment discrimination, workplace harassment, and retaliation cases, in addition to personal injury and business disputes. His experience as an entrepreneur and litigator gives him a unique perspective on both the legal and human dynamics that shape complex conflicts.

Since transitioning to full-time mediation in 2018, Sarnoff has mediated hundreds of cases across California, bringing a distinctive, analytical perspective informed by his studies in physics, economics, and computer science. Known for his personable, informal approach, he emphasizes thorough preparation, careful analysis of case dynamics, and attention to both the financial and emotional aspects of disputes.

"David brings a rare combination of analytical rigor alongside genuine empathy to mediation," said Dario Higuchi, Signature Resolution founding partner and managing member. "His experience as a litigator, entrepreneur, and full-time mediator equips him a tremendous addition to our panel, and he will help parties navigate even the most challenging matters with clarity and confidence. We are thrilled to welcome him to Signature Resolution."

Sarnoff earned his J.D. from Loyola Law School and his B.A. from Emory University. He is licensed to practice in California. Outside of his professional work, he speaks near-fluent Spanish, enjoys tennis, skiing, snowboarding, cycling, ice hockey, and soccer, and participates in local community theater with his family.
