

Signature Resolution Welcomes Michèle Bissada to Panel of Neutrals

Renowned family law specialist brings more than three decades of experience guiding families

SAN FRANCISCO (Dec. 3, 2025) - [Signature Resolution](#) welcomes Michèle Bissada to its panel of neutrals, where she will serve as a Mediator, Arbitrator, Private Judge (JPT/PCTJ), and Parenting Plan Coordinator. With more than 30 years of experience in California family law, Bissada has earned a reputation for her integrity, discernment, and calm command of even the most emotionally-charged disputes. Her ability to balance clarity and compassion with legal precision has made her a trusted resource for families, attorneys, and business partners seeking lasting resolution.

"I've always believed that how a case is resolved is just as important as the resolution itself," said Bissada. "People deserve a process that is respectful, transparent, and dignified, especially when the issues at hand are deeply personal. At Signature Resolution, I'm honored to continue this work alongside colleagues who share my belief in the power of thoughtful, human-centered dispute resolution."

A Certified Family Law Specialist and Fellow of both the American Academy of Matrimonial Lawyers (AAML) and the International Academy of Family Lawyers (IAFL), Bissada has long been regarded as one of California's leading authorities in complex family and partnership dissolution matters. Her experience spans high-net-worth cases involving private equity, venture capital, hedge funds, and other intricate financial structures, as well as high-conflict custody disputes requiring sensitivity to family dynamics, child resistance, and relocation challenges.

Before devoting her practice exclusively to dispute resolution, Bissada served as Principal and Owner at Flicker, Kerin, Kruger & Bissada LLP, where she helped establish one of Silicon Valley's most respected family law firms. Representing high-profile and high-net-worth clients, she became known for her steady presence, meticulous preparation, and balanced judgment, qualities that now define her approach as a neutral. Her ability to create an environment of calm and clarity allows parties to move forward from conflict with understanding and dignity.

"Michèle exemplifies the qualities we value most at Signature Resolution," said Dario Higuchi, Signature Resolution founding partner and managing member. "Her integrity and insight are matched by an extraordinary ability to manage emotionally intense situations with grace and authority. She has earned the trust of clients, counsel, and colleagues alike, and we are proud to welcome her to our panel."

Bissada has been recognized by SuperLawyers annually for 20 consecutive years, since 2006 and by Best Lawyers of America by US New & World Report since 2021, with the recognition of "Lawyer of the

Year" for the greater San Jose area for 2023 and 2024. As past president of the AAML Northern California Chapter, she co-chaired its Trial Practicum program from 2017-2024, is a co-leader for one of the mentoring groups in its Mentorship Program for a second term (2025-2027), and continues to help shape the future of family law through national AAML and AFCC educational programs.

Bissada earned her Juris Doctor from California Western School of Law and her Bachelor of Arts from the University of California, Davis.
